Title: Bristol Mountain Snowboard Experience

Brief Description: Highest vertical of any ski resort between the Adirondacks and the Rockies. A "Big Mountain Ski Experience in Western New York"

How to Enjoy: For the very first time skier/rider, the Magic Carpet provides a very gentle ride up the beginner hill. Right next to that slope and to the north is a double chair that is very suited to accessing the next level beginner trail named Infinity.

Related Places: Ski and Stay Packages are available at these locations:
The Inn on the Lake
Bristol Harbour Five Season Resort
Holiday Inn Express
Homewood Suites by Hilton
